DECLARATION

Jeraldine Anderson ("Anderson"), under penalty of perjury hereby states and declares as follows

Anderson filed a Petition for Rulemaking on August 28, 2001, requesting amendment of the FM Radio Allocation Table to add channel 250C3 to Crowell, Texas, adding also that, if so allocated, that Anderson would apply for and build a new radio station on that allocation, and

By Notice of Proposed Rulemaking, the proposal was assigned file number RM-10303 and a Notice of Proposed Rulemaking was released on October 3, 2001 assigning MB Docket No. 01-293 to receive comments on the proposal. In response to that Notice, a mutually exclusive Counterproposal was filed by North Texas Radio Group, L.P. and A.M. & P.M. Communications, L.L.C. proposing the upgrade of KBOC to a class C0 and among other things, new first local service to the communities of Bennington, OK, Apache, OK, Cache, OK and Ranger, TX

Upon reflection, Anderson is convinced that the public interest would be better served by the additional service proposed for the communities of Bennington, Apache, Cache and Ranger as set forth in the Counterproposal and has therefore agreed to move to dismiss the Anderson proposal in return for reimbursement of expenses legitimately and prudently expended by Anderson in furtherance of its proposal; and

Anderson further states and affirms here that the Anderson rulemaking petition was filed in good faith, not for the purposes of reaching or carrying out and settlement, and that it is Anderson's belief that the public interest would be served by simplifying the rulemaking process and hastening the advent of new service in the communities of Bennington, Apache, Cache and Ranger; and

Anderson sets forth herewith below her expenses legitimately and prudently expended in the preparation and filing of the Anderson rulemaking petition RM-10303 for Crowell, Texas.
